

REMARKS

The specification of the application has been reviewed, and the specification has been amended to correct clerical errors.

On page 2 of the Action, claims 1 and 2 were rejected under 35 U.S.C. 102(b) as being anticipated by Wilder et al. On page 3 of the Action, claims 3-5 were objected to, but were indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

In view of the rejection and the indication of allowability, claim 1 has been amended to include the limitations of claim 3, and claim 3 has been canceled. Claim 4 has been amended in independent form to include all the limitations of claims 1 and 2, and claim 2 has been canceled.

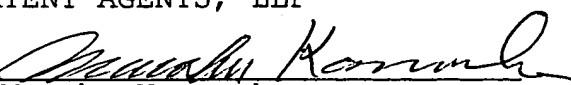

With the amendment, the application is believed in condition of allowance.

Reconsideration and allowance are earnestly solicited.

A one month extension of time is hereby requested. A credit card authorization form in the amount of \$110.00 is enclosed herewith.

Respectfully submitted,
